Issued September 24, 2026 · Verification code PA26-03T7-P94 · Module v4.0.0

This certificate attests knowledge and clinical reasoning demonstrated by written assessment in a self-paced module. It does not attest bedside competence in CPR, defibrillation, airway management or resuscitation leadership, confers no licence or clinical privilege, and is not a substitute for a hands-on, instructor-led course. It is not the AHA PALS course, confers no PALS provider status and is not endorsed by the AHA or AAP. No CME credit unless separately accredited. The verification code is deterministically re-derivable from the displayed figures — it is not tamper-proof.
